

JOIN THE CAT PROGRAM COMMITTEE

We are currently calling for expressions of interest from artists and industry peers to become volunteer members of the CAT Program Committee.

About us

Contemporary Art Tasmania is dedicated to contemporary and experimental art and to professional artists. CAT provides a program of art exhibitions, artist development activity and events characterised by innovation and energy.

Role – the Program Committee:

- considers proposals for the artistic programs
- provides input to artistic projects and programs
- offers artistic and strategic advice to the organisation
- connects and promotes CAT activities to industry colleagues

Reporting – The Program Committee reports to the Board.

Meeting schedule – The committee meets approximately five times each year, with special meetings convened as required.

Membership – The committee comprises the CAT director and curator, Board representation and three external members who provide artistic or curatorial expertise. The curatorial mentorship role is also engaged with the committee. Appointed external positions are offered for 3-year terms.

Selection – To broaden the scope of representation on the committee, we are now making changes to how appointments are made. External members will be appointed through a process alternating between invitation and a call-out for expressions of interest. The CAT Board oversees approval of appointments to these positions.

Eligibility – Artists and industry peers from all career-stages are eligible to apply. We welcome interest from professional artists from all backgrounds, abilities and identities.

Selection criteria

- artistic experience relevant to the role
- knowledge of the national contemporary art sector
- engagement with contemporary culture

To submit an Expression of Interest – Please outline, in up to 300 words, why you would like to be appointed to the committee and provide a 1 page curriculum vitae by email with the subject line 'CAT Program Committee Expression of Interest' to:

kylie@contemporaryart.org.au

Submissions due by midnight Monday 12 December 2022
